Our environmental commitment:

This leaflet has been printed using paper from sustainable forests and further reinforces our commitment to keeping the island green for future generations.

Our handset recycling commitment:

From 1st June 2008, any unwanted mobile handsets can be brought into our store where they will be sent to developing countries as part of a world handset recycling scheme. Each customer handset successfully sent will receive an in store credit based on the residual value of that handset. Alternatively this credit value can be donated to charity. For more information ask in store.

Life's better with us.

Life's better with us.

Your life, your plan...

Airtel-Vodafone monthly plans.

At Airtel-Vodafone we like to keep things simple and offer you choices, like our monthly plans for individual users.

The advantages of our monthly plans are:

- Big bundles of minutes for all mobile and landline numbers in Guernsey or Jersey.
- Minutes available in your bundle for calling all UK landlines.
- Calls cost from **1p**.
- International calls priced competitively to landline rates.
- Texts start from **1p**.

Now you also have a choice!

We offer plans with a handset and plans without a handset - it's your choice! If you're happy with using your current handset then why not take up one of our monthly tariff plans which gives you even bigger text and minute bundles each month?

In our **'without a handset'** monthly plans you enjoy:

- Even more minutes!
- Even bigger texts!

No matter which plan you choose, with our large anywhere bundles and fantastic call and text rates, you are assured of the best value possible.

With our **'monthly plans with a handset'** you can choose from 3 tariff plans - [go to page 4](#)
